Empowering Individuals and Strengthening Communities

Double Your Impact This Month!

THE CLIFF AND DEBORAH WHITE FAMILY FOUNDATION

A donor-advised fund of the Greater Washington Community Foundation

EveryMind is dedicated to a future that is truly inclusive and prioritizes equity. As leaders in mental health advocacy, we will continue to amplify our mission through the lens of fair, impartial, and equitable access to mental health services. In support of this work, **The Cliff and Deborah White Family Foundation at The Greater Washington Community Foundation has issued a generous 10K challenge grant** to EveryMind for the month of December, **specifically for multilingual mental health services** offered to low-income families in crisis in Montgomery County.

Don't miss this opportunity to double your impact and ensure that EveryMind's crisis intervention and prevention services, counseling, care coordination, and mental wellness services are always available to every mind, every time.
