As we look for ways to support and celebrate the LGBTQ+ Community, we must also highlight the startling data from our partners at [The Trevor Project](#). 56% of young people who sought mental health care last year were unable to receive support. In an effort to amplify the [Trevor Project's](#) commitment to helping LGBTQ+ people create the world they deserve, EveryMind invites you to explore our resources below. You'll find resource guides and Town Hall information specifically designed to nourish our LGBTQ+ community.
